# WHO WAS W.D. FRAZEE?

"I have been instructed that we should make prominent the testimony of some of the old workers who are now dead. ...

The history of the early experiences in the message will be a power to withstand the masterly ingenuity of Satan's deceptions." Counsels to Writers, page 26

It goes without saying that "a tall man casts a long shadow." And as the sun begins to set, the shadow grows even longer.

W.D. Frazee (1906-1996) was educated in medical science at Loma Linda and in health evangelism by the legendary J.H.N. Tindall. In 1942, Elder Frazee and a faithful team of pioneers established Wildwood Sanitarium and Medical Missionary Institute where physicians, nurses, pastors, and laymen received practical training in medical evangelism.

From its humble beginnings, Wildwood has echoed the vision of the founders, nurtured in a prayerful study of the Scriptures and Spirit of Prophecy counsels. Today, Wildwood Sanitarium, Inc. continues to educate medical missionary evangelistic workers from all over the world at its country outpost near Chattanooga, Tennessee.

While looking for ways to implement inspired instructions, Elder Frazee in his retirement years established Pioneers Memorial in 1985. This ministry is committed to sharing the timeless inspiration of his Wildwood vespers, Sabbath worships, and student classes. Thousands of audio files are distributed each year, and tens of thousands have gone around the world.

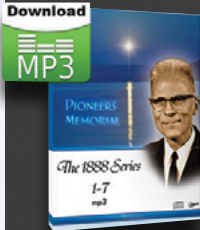

In this catalog you will find many doctrinal and devotional books and CDs well worth the modest cost and prayerful time investment. Topics include:

- Righteousness by Faith
- Soul Winning
- The Sanctuary
- Last-day Events
- Problem Solving
- Marriage and Family
- Country Living
- Medical Missionary Work
- True Education
- Christian Leadership

In his final years, Elder Frazee endured with faith and courage the affliction of Parkinson's disease. Yet with clarity and affection, till nearly the day of his death, he continued to write short encouraging notes to his friends, often enclosing a sermon tape. Those who helped to hold up the hands of this pioneer believe that God used him through the ministry of Pioneers Memorial. – Richard A. Hansen, M.D.

## FELLOW WORKERS WITH HIM (1057)

Discusses the three avenues of ministry in God's church: lay, denominational, and self-supporting. It shows how each have their place, how they are to work together, and that none are to be ignored or despised.

## HOW TO HASTEN HIS COMING (0109)

Jesus will not come till the harvest is ripe. To be overcomers, we must "become intensely interested in the salvation of others."

## HOW TO QUIT SINNING (0148)

Seeing how terrible sin is by looking at what it cost God will cause us to quit sinning. His suffering, which is in proportion to His love, continues until we are through with sin.

## LIVING SACRIFICE (0170)

We are each to be a living sacrifice. As such, we must be bound to the altar. It is at the altar of sacrifice that we meet God.

## LOVE - THE BASIS OF REFORM (0197)

Love to God and a sense of how much we mean to Him must be the basis of reform.

## MEDICAL MISSIONARY WORK - CURE FOR SELFISHNESS (1034)

The experience of Israel and the disciples shows the importance of following God's way in our work - the way of love, not selfishness.

## MEDICAL MISSIONARY WORK - LARGELY SPIRITUAL (0415)

If we're interested enough to help people live a few extra years by teaching them health principles, we should be far more interested in helping them live for eternity!

### MINISTRY OF MISTAKES (0028)

Though God never intends that we should fall, He is wise and powerful that He changes all our defeats into triumphs!

### PHYSIOLOGY AND THE LATTER RAIN (0573)

### RIGHTEOUSNESS BY FAITH - IN THE LIGHT OF THE SANCTUARY (1227)

After much debate, there is still much confusion about righteousness by faith. Elder Frazee helps us to see the simplicity of it, revealing how it is illustrated in the sanctuary.

### SANCTUARY MESSAGE, ANNUAL COUNCIL AT LOMA LINDA (0137)

Elder Frazee gave this challenging sermon at Loma Linda University. He explains the most important facts about the sanctuary in a simple, yet profound manner.

### SATAN'S SYMPATHIZERS (0071)

The last scenes of the great controversy will be like the first ones. The Church, like Heaven, will be purged of iniquity. Are you sympathizing with the devil or with God?

### THE BURDEN BEARER (0644)

Our burdens are too much for us to bear. When we try to carry them on our own, they crush us. We should cast all our cares on Jesus not only our sins but the stresses of work and everything that we face in life.

### TRUST GOD (0171)

God often permits those in whom we place confidence to fail us that we may learn the folly of trusting in man. God wants us to learn not only to stand alone, but to stand against pressure by trusting God.

### WHAT SAVES US (0179)

Titus 2:11 tells us that the grace of God brings salvation, but behind that is His infinite love for us.

## SOUND NOTICES

### DISCLAIMER

"Years ago when reel-to-reel tape recorders were fairly new, vesper talks and classes were recorded at the Wildwood Chapel. From these tapes have developed a ministry which has reached many hearts and homes. These recordings do not come from a professional studio presentation. Rather, the listener is simply a part of a vesper audience, class group at Wildwood, camp meeting assembly, or some other group as may be

indicated. Sometimes there is participation—individual and group responses. Occasionally, the sound of a passing train or a crying baby may be heard. The subjects presented cover a wide range of Gospel and Health topics, the objective being to contribute our little part in the worldwide work of the Third Angel's Message to 'make ready a people prepared for the Lord.'" - W.D. Frazee (1906-1996)

*All the sermons listed on the website have been audio edited. The content has been unchanged but background noise has been reduced and every effort has been made to make the recording sound as original, clear and concise as possible. However, Elder Frazee's notice above will still apply. We are currently in the process of remastering the entire audio library. If you receive recordings which you find unsatisfactory for any reason, please contact us for replacement. Note from W. D. Frazee Sermons Team*

### TESTIMONIALS

"Elder Frazee had a unique ability to balance spiritual truth with practical ministry." – David DeRose, M.D., M.P.H., Portland, OR

"Elder Frazee is the most practical preacher I've ever listened to. He could find gold in God's Word where others saw only gray granite. He could then refine that gold into user-friendly, easy-to-apply, life-changing truth." – Frank Fournier, Eden Valley Institute, Loveland, CO

"I was exposed to Brother Frazee through Ransom and Reunion, and then I ran into some old, dusty tapes. He wasn't the kind of preacher I was used to. He spoke softly and slowly! I am impressed that his message was so potent that it needed no help. That wisdom should not be buried." – Jeffrey Rosario, Gospel Worker, Radiant Living Team

"Elder Frazee's preaching was sincere. He was in earnest. He was a man on a mission. And when I listened to him preach, I sensed that his messages came from the Almighty Throne Room of God. I knew he had been on his knees and that God had impacted his mind. His messages were in contrast to some of the surface, shallow, and superficial messages that we so often hear. These messages were deep. They were biblical, and they were moving. They helped to shape my concept of preaching."

World-renowned Evangelist,  
Former Speaker/Director of  
the "It Is Written" telecast
