

One Right Answer

W.D. Frazee

Suppose there is a column of figures like this:

1089
528
285
139
32
24
8

And suppose I asked you to add up that column. You'd get busy with your pencil, copying the figures; and pretty soon, you'd give me the answer.

How many *right* answers can there be?

Of course, only one.

Isn't that awfully narrow minded—the idea that there could be only one right answer?

How many *wrong* answers can there be?

(break)

At least 3 or 4? Or 100? Or 1000?

In the spiritual realm, the devil knows that there is only one *right* answer. But he can set forth a wrong answer here and a wrong answer there—dozens, scores, thousands of wrongs answers which are alike in this: they are all *wrong*. But how many *right* answers are there? Just one.

Thank God for the revelation in His Word of "The One Way": "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved." Acts 4:12

Do you want to be saved? There is one way. There are not *many* ways. There are indeed many ways *suggested*, many ways *offered*, many ways *presented*. The air is thick with propaganda. But all, except one way, is the wrong way.

"Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it." Matthew 7:13-14

The way to death is broad. The way to life is narrow. Do you know how narrow that way is? It's as narrow as one Man. We have one example to follow.

Those who follow the narrow way will be called narrow. But thank God for the privilege of being in the narrow way with our Lord. What do you say?
